RE 08C1632

Dear Clerk of District Court and Hon. R. Palmer

Again this is Gregory Champion. I wrote you a brief letter and sent in complaint, #08C1632. In the letter, I mentioned that division 5 law library copier is broken. I was forced to send in (1) copy of Complaint complete with all of my original evidence, exhibits. Please Honorable Palmer, I need to get to the bottom of the illegal activity on the part of Cook County Jail and State Attorney's office, who have conspired to steal my evidence & break the U.S. Constitution. I need to be appointed counsel in this case to compel them to settle this egregious illegal activity.

Please appoint me Counsel to defend my Constitutional Rights.

Sincerely

Gregory Champion
